## Captain's Column:

Welcome to our first newsletter of 2023! I am honoured and privileged to be your Captain and I'm looking forward to representing you the members and ensuring you have a great golfing year.

A lot of activity has been taking place around the club in the 'off season'. The works on the golf course are progressing to schedule and the dining room has been upgraded. We have received positive feedback to date and I am really looking forward to the results of the course improvements during the summer when the works are bedded in.

Our Inter-club Team Captains have been appointed for the season and are raring to go! (See full list below) I wish to thank all our Team Captains in advance for their commitment and wish them every success and assure them of my support. I encourage you to make yourselves available to play on our Interclub teams. Representing the club is a very rewarding experience, it does help to improve the standard of your game, builds relationships and it can be fun!

I'd like to thank all of our staff and volunteers for their commitment to Greenore Golf Club and I look forward to supporting them as best I can.

Looking forward to seeing you all at our Captains Drive-In on March 12<sup>th</sup> and to welcoming you and your families to the club during 2023.

**Paul**

## **Operations Manager:**

This is the first issue of the newsletter that will be published in 2023, I would like to wish all our members a good golfing season ahead.

- Renovations in both the Restaurant and Maple Room have now been completed, . We hope to move into the bar shortly.
- The Captains Drive-In will take place on Sunday 12<sup>th</sup> March. Music in the bar afterwards by Kevin Gallagher (Not our Kevin). We hope to have music on St. Patrick's day too.
- We plan to run a quiz night in the club in March & The Lions Club are hoping to hold a satellite poker classic also.
- We have been successful in obtaining a small grant for inclusion for people with disabilities in golf. I done a training day for it, and we hope to start a couple of sessions with some of the local groups.
- 5 of the greenkeeping staff have completed chainsaw courses and 2 are due to do spraying courses in the next couple of weeks. 2 of the lads also attended the Greenkeepers Conference in Harrogate. We are trying to upskill our staff to help maintain the course and keep health and safety standards up to date.
- I am the contact for any H/S issues any members may have, all reports will be logged and actioned.
- We presently have 937 members.
- We are promoting more societies and green fees to the club as they are a major part of our revenue stream and keep member's fees down.
- We plan to run a 3-day Club Classic this year, from Fri 18<sup>th</sup> June – Sun 20<sup>th</sup> June 2023.
- I am presently looking to promote sponsorship for the current year. I would ask any member if they would like to sponsor or know someone who might like to be a sponsor to let me know.
- There is a new update coming at the end of the month on the ClubNet app. We hope it will solve some of the Wednesday evening booking timeout issues. Can all members switch their notifications on, as Push notifications will be the club's future of contact.

### **Course development Update:**

The sleepers at the 4<sup>th</sup>/ 9<sup>th</sup> tee box have been removed and replaced.

Oisin and his team will be identifying some of the worn/ Damaged bridges on the course and plan to work on them by adding new artificial matting.

Over the past week all the greens on the course have been aerated and will be followed up with a light sanding to fill in the small holes created.

Fairways and tee boxes have been sanded.

### **6 Hole Project:**

Its been exactly one month since the work began on the course, as I write this the contractors have moved onto the 14<sup>th</sup> hole which is the penultimate hole in the 6 hole project. Everything to date has been relatively smooth. The weather has been a blessing with almost no rain since the work commenced, allowing no disruptions to date.

We have created a section on the website which will be updated daily with photos and descriptions on the work as it happens, the photos of each hole will be in chronological order.

How do you access this page... Go to the Greenore G.C website and along the menu tab Hoover over Members section, 'Members Galleries' and final click on 'Course Changes' If your asked to login, you simply use your email and password you'd use to access the ClubNet app. ***\*Contact the Club if your having issues logging in\****
